Testimony from Home!

Baltimone, Sept. 11, 1851.

Messrs. Mortimer & Mowbray: I feel it a duty to make known the benefits I have derived from Dr. Hampton's Tincture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the heart. I had such sudden attacks that on one occasion I could scarcely get home. I making mention of my case to a friend, he referred me to Joseph K. Stapleton, esq., an old and highly respectable citizen of Baltimore, who had used the Tincture under similar circumstances. I called on Mr. Stapleton, and, after an interview of some minutes, I was fully satisfied of the medical virtues of the Tincture, from the evidence before me, of his own person, who, for some time previous, indicated a failing state of health, but now a hearty, hale appearance, with the activity of youth. I immediately commenced using the Tincture, and, before I took the contents of one bottle, my strength was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and am as active as I was renewed, and I can walk as brisk and and as active as I was renewed, and I can walk as brisk and and as active as I was renewed and I can walk as brisk and and as active as I was renewed and I can walk as brisk and and as active as I was renewed and I can walk as brisk and and as active as I was renewed. Wonderful Cure of Hereditary Scrofula by Hampton's Vegetable Tincture!

This certificate is from the pen of a gentleman whose ame appears on the journal of Congress, one who is extenvely and favorably known:

name appears on the journey of the sively and favorably known:

"It affords me pleasure to state that Dr. Jesse Hampton's Tincture has effected a most extraordinary cure of my slave boy, Albert. The patient was three years old, and had the Scrofula—(his father was scrofulous.) The boy was a moving mass of sores from head to foot; the upper lids of the eyes were much swollen, and turned inside out, exhibiting horrible mattering ulcers that protruded over the eye-balls so as to produce blindness. It is strange, yet true, this child, that I felt resigned to see die as a relief from suffering, has been restored to health under the treatment of Dr. Hampton.

Greater weight of Testimony cannot be given.

Mr. J. B. Boush—Dear sir: While I am, in general, opposed to patent medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegotable Tincture. For several months past I have used it in my family: and in dyspepsia, loss of appetite, dizziness, and general deblity, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

I am, respectfully, yours,

Chaplain United States Navy.

Still another Witness for "Hampton's Vegetable

This certificate is from one of our largest and most enterprising farmers—the owner of those splendid oxen exhibited at the late Agricultural Fair, and who, in person, did the ploughing, with the same, that took the premium. We mention this, as, before Mr. Horne took the Tineture, his condition was such as to despair of even visiting the Fair, much less taking such a laborious part as he did, to the astonishment of those who had seen his state a short time before: BALTIMORE, Feb. 4, 1852.

Messrs. Mortimer & Monobray—GENTS: Having been afflicted with Chronic Indiammatory Rheumatism for some time, in its worst form, I tried every remedy that came within my reach, without any success; in fact, my sufferings increased with every new remedy I tried, until I was carcely able to walk, from the dreadful pains and swelling in my limbs. I had also an ulcer formed on my right wrist, which wave me intense main.

scarcely able to walk, from the dreadful pains and swelling in my linabs. I had also an ulcer formed on my right wrist, which gave me intense pain.

When in this condition, Mr. Scott, Conductor on the Susquehanns Ralirosd, with several others, called my attention to the many wonderful cures made by Hampton's Vegetable Tincture. I determined to give it a trial, as a last resort. You well remember my sufferings at the time I got the Tincture from you—they were almost past endurance. I am happy now to inform you that, in a short time after taking it, I was relieved from pain, and could walk without difficulty, and in about four weeks I was enabled to take part in the ploughing match at our late Agricultural Fair. The ulcer on my wrist is now entirely cured, and I am in the enjoyment of the very best health, with no symptoms of my old disease; all of which I feel bound to say I owe to the great healing and restorative qualities of Hampton's Vegetable Tincture.

Stronger-Still Stronger! Stronger—Still Stronger!

Can any unprejudiced mind in the world ask stronger testimony or more convincing proof of the great restorative and curative powers of Hampton's Vegetable Tincture than given below? The writer is one of our mest highly esteemed citizens, a man of integrity, and, it is extensively known, has been for a long time suffering under disease; his altered appearance now is a subject of remark, and gives additional testimony and weight to the certificate below. He is also the son of the old Doctor Dunan, whose great skill as a physician is well known to most of the oldest inhabitants of this city:

Baltimore, Feb. 9, 1852.

Mesers. Mortimer & Mowbray—Genelecker: It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious cough. I was advised to take Cod Liver Oil, and did so, but, getting no better, I was induced to try your Tincture. I got one bottle, and, before I had used it, all my cough left me. Permit me also to state, that for the last fifteen years I have suffered very much from Acute Rheumatium and Fertigo, confining me, at times, to my bed. I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper; and believe me yours, very respectfully, G. DUNAN.

For the rapid Cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

TO CURE A COLD, WITH HEADACHE AND SORENESS OF THE BODY, take the GRERRY PECTORAL on going
to bed, and wrap up warm, to sweat during the night.

FOR A COLD AND COUGH, take it morning, noon, and

trouble when they find it can be so readily cured. Persons
afflicted with a scatted cough, which breaks them of their

in withdrawing from the late Whig caucus. [Louisville Courier. We are sorry to see that any difference of opinon existed among the members on any question. a proposition in reference to the Compromise measures was decided out of order. We concur n that opinion, though as warmly in favor of hose measures as any one else can be. The members of Congress have nothing to do with the construction of a political platform for the

Whig party .- Maysville Eagle. There seems to be no difference of opinion among the Whig press of this State as to the conduct of the seceders from the Whig caucus.

[Louisville Courier. * * * The chairman did right, and Mr. Marshall wrong. The caucus had no power or authority for fixing up a platform to make the ensuing Presidential campaign upon. That work belongs exclusively to the National Convention, and Mr. Marshall and his colaborers, in producing dissensions and divisions in the Whig ranks, will find their course, and themselves, too, repudiated by the Whig masses, if they do

not keep a look out to windward.

* * We have sufficient confidence in the honesty and patriotism of those who will compose the convention to believe that they will present a ticket every way worthy and acceptable to the party for their support; and, with proper union and concert in the ranks of our party, we honestly believe their work will be ratified by the people in the triumphant election of the Whig Presidential ticket.—Russellville Herald.

Several Whigs acted most outrageously, and for so doing deserve the contempt of all good and true Whigs. Among the number who acted quite imprudently and rashly was Hon. Humphrey Marshall, of this State, whose course we cannot endorse. * * * We think, in attempting to promulge a platform the Congressional caucus over-reached its authority, and most certainly acted indiscreetly. * * * We feel an abidacted indiscreetly. * * * We feel an abid-ing confidence that the men who have been seected as delegates will issue a platform upon which every good and true Whig of this nation will feel proud to stand.

[Richmond Weekly Messenger.

The caucus refused to adopt a platform for the convention, and in so doing showed a sensible appreciation of good policy and of its own duties.

* * - Hon. Humphrey Marshall, in calling upon the caucus to cut and dry a platform for the convention, simply made himself ridiculous. It is difficult to conceive how a man of his sense can cling to such a foolish position, unless he be hard run for some outlet for his spleen against General Scott, because the latter refused to recommend him for a cabinet appointment. Humphrey is "kicking against the pricks," however, as he will find to his regret before he is many months older .- Hopkinsville Rifle.
